3 Impact showcase

Transparent statistics and real success stories that demonstrate accountability and justify continued donor support.

Builds donor trust — transparency is the #1 factor in repeat donations

12,400+ BENEFICIARIES REACHED	340 PROJECTS COMPLETED	89% FUNDS TO PROGRAMMES	28 COUNTRIES COVERED
Education 600 children enrolled in school Rural literacy drive in Andhra Pradesh helped 600 out-of-school children enrol and attend regularly. Read story	Clean water Safe water for 3,200 families Purification units across 12 villages eliminated a 4 km daily walk for safe drinking water. Read story	Healthcare Free medical camps for 5,000 Mobile health clinics provided free diagnosis, medicine, and follow-up care to underserved communities. Read story	

4 Testimonials

Authentic feedback from donors, volunteers, and beneficiaries — the most persuasive content an NGO website can display.

Social proof reduces hesitation — new donors trust peer voices over organisation statements

★★★★★ <i>"Setting up monthly giving took two minutes. The impact report each month makes my contribution feel real."</i> AR Arjun Reddy Monthly donor	★★★★★ <i>"The volunteer portal matched me to a literacy project within a week. Teaching kids in my area has been life-changing."</i> PS Priya Sharma Volunteer, Chennai	★★★★★ <i>"Because of the clean water project, my children no longer miss school. They are healthier every single day."</i> AM Amara Mensah Beneficiary, Ghana
